WELCOME TO THE LEAGUE

The South Australian Amateur Soccer League Inc. (SAASL) is the major organizational body for non-professional soccer in South Australia and is the state's largest management body for senior level amateur soccer.

Structure

The League is an autonomous body, comprised of its member clubs each of which has equal voting rights in the affairs of the League.

Responsibility for the overall control of the League is vested in the hands of a Management Committee, elected by the body of member clubs at the annual general meeting.

The Management Committee comprises the President, Vice-President, General Secretary and six committee people. All officials and members of the Management Committee serve in an honorary capacity.

The League is headquartered in its own complex situated at the corner of Military Road and Trimmer Parade at Grange.

Member Clubs

Member clubs have various origins. Many of the longest standing members have their origins as factory-based teams, others originate from various sporting or social clubs, many of which represent immigrant groups. Community-based clubs are becoming more numerous. Other clubs arise from the growth of senior ranks or former junior league clubs.

Our History

In early 1965, eight factory-based teams gathered to kick-off their first season of organized soccer. This was the birth of the "Sunday Industrial League". It changed its name to become the South Australian Amateur Soccer League the following year.

New clubs came to join the founding eight clubs, and the fledgling League soon grew to become a major force in South Australian soccer. Many firsts were to follow as the League followed a policy of growth and new initiatives.

In 1978 the League established its own referees' body. It was a founder member of the national amateur body. It commenced its own radio programme in 1983. It instituted a summer competition, established a Saturday competition in 1984 and introduced a telephone results service.

The Future

From its inception in 1965, steady growth has been the pattern of the League's development.

The SAASL is well prepared for the challenge of the dramatic increase in player and club members and is well able to extend its current excellent level of service in order to accommodate them. Already the League has clubs and administers competition in outer suburban and country districts from Port Pirie in the North, Murray Bridge in the East and Victor Harbour in the South.

The Competition

The League conducts a number of competitions for its member clubs to contest. Currently all matches are scheduled for Sundays and Saturday afternoons

The League Championship:

The cornerstone of the League's competition is the League Championship Season, commencing usually in the first week of April and running through to late September.

The competition in divided into Saturday and Sunday sections. The divisions are graded according to playing strength into divisions 1, 2, 3, 4, etc. Teams in each division compete on a home and away basis, with three points for a win and one for a draw. The leading team at season's end is declared the champion for that division. A system of promotion and relegation exists between the divisions.

Challenge and Reserve Cup Competitions:

These are conducted through the year with all League teams being involved. The Challenge Cup is for senior (first) teams, and the Reserve Cup is for reserve teams.

The competition is conducted on a knockout basis, with the losers being eliminated and the winners proceeding to the next round. Matches are by random draw. This process culminates in Cup Finals, which are held as a prestige event, the Cup Final Day, generally on the last Sunday in September.

Future Aims

The aims of the League are clear.

They are:

- To provide, for amateur players, a competition run to the highest standard, without limitation as to age, race, religion or location throughout the State of South Australia.
- To improve the publicity of, and public perception of, amateur soccer, so as to foster the continued prosperity of the sport throughout South Australia.
- To encourage and assist new clubs wishing to participate in organized amateur soccer competition.
- To provide for the benefit of amateur soccer in South Australia, a strong, united voice within the hierarchy of soccer administration in this country.
- To do all these things whilst having regard for the amateur nature of its membership, and therefore keeping club costs at the lowest possible level.

PRESIDENT'S MESSAGE

As in the last couple of years we are again experiencing growth in both Saturday and Sunday Leagues, with several new clubs expected to take the field. We are also receiving calls from Saturday clubs to form an over 35's division on Saturdays and depending on the final response from the clubs it is expected that this will take place.

On a sad note we regret that in early January our long serving Vice President and Accident Fund Secretary Bob Cox passed away after a short illness. Bob was involved with the League in various capacities for some 40+ years, with the majority of this time spent as Accident Fund Secretary and in the last few years he was very effective in the recording and meticulous maintenance of the results, top goal scorers and best and fairest counts. He was well respected by all who came into contact with him and he will be sorely missed by everyone. Bob was also a player in his younger days and was a Best & Fairest Medal winner in 1966 and also an SAASL State Team player. He was also an effective and respected junior coach winning several EDJSA Championships with the Para Hills under 14 and 15 teams.

Our Referees Training Sub-Committee was again active during the year running several courses, for those League members interested in taking the step. The year saw several past club referees take the step and join with our Referees Association, they have been promoted to grade 4 and are now available to officiate at games across the League. A big thank you to the Sub-Committee for their hard work again in organizing these courses.

Our sponsors were again generous in their financial support of the League, for which we thank them. This has again enabled us to maintain our service levels together with the increased prize monies we now have on offer to Cup and League winners and runners up.

2011 will see us maintain the player levels experienced in 2010 but this year we hope to again see more growth in player numbers with the new clubs coming on board. From conversations with our affiliate junior bodies it would appear that they also expect growth this year. Which is most pleasing as they are seeing the advantage of association with the League providing pathways for players from the junior ranks into the SAASL clubs .

The addition of a new staff member last year has worked out well, with the two members in the office having now settled in together and absorbing the majority of the background work of the office, which task they have taken to and made their own most effectively.

With the return in 2009 to Hindmarsh Stadium for the Cup Finals, in 2010 we were able to also take the Semi Finals there. Although this meant for a long day it was very successful, followed two weekends later with the Cup Finals.

Congratulations to all winning clubs for 2010 in both League and Cup Competitions. May this season also be successful for your clubs.

My personal thanks to all of our hardworking Management Committee for all of the efforts they put in every year to keep the machine running to provide the service the clubs have come to expect.

Finally, good luck to all clubs and players for season 2011, lets hope all your ambitions can be attained this year.

The Martyn Crook Foundation
Pathways without obstacles

The Martyn Crook Foundation

The Martyn Crook Foundation has been established in honour of the late Martyn Crook who passed away suddenly in December 2008. Martyn dedicated his life to the development, promotion and education of young, talented players with football ability and aspirations, some who are currently playing within the SA Amateur Soccer League.

The Martyn Crook Foundation aims to reach out to indigenous Australians, young players arriving in Australia as refugees, and those young players who are financially disadvantaged, by developing initiatives to promote their greater inclusion in the football family.

The Foundation will work closely with all football bodies to ensure that players that are identified are given every opportunity to achieve and are not disenfranchised from the game due to their race, gender or financial standing.

With the support and endorsement of the FFA, FFSA, Adelaide United FC, SA Amateur Soccer League and SASI, the Foundation was launched officially on Friday 21st May 2010 at a gala event at the Adelaide Hilton entitled "An African Safari", while also celebrating the Qantas Socceroos participation in the 2010 FIFA World Cup.

The SAASL Management Committee recognises the significant contribution Martyn Crook has made to football at both Sate and National level and strongly supports and endorses the work the Foundation will continue to do in his memory.
